

TEAMSTERS LOCAL UNION No. 31

AFFILIATED WITH TEAMSTERS CANADA AND THE INTERNATIONAL BROTHERHOOD OF TEAMSTERS
#1 GROSVENOR SQUARE, DELTA, BC V3M 5S1

November 27, 2017

Dear Brothers and Sisters,

The Local worked collaboratively with a number of industry stakeholders and public officials to create a program on road safety.

The final product which I believe is an outstanding visual of mishaps that could happen on our roads between passenger vehicles and transport trucks. The website is <https://www2.gov.bc.ca/gov/content/transportation/driving-and-cycling/road-safety-rules-and-consequences/be-truck-aware#video>. Videos three (3) and four (4) show Teamsters Local 31's tractor trailer in demonstrations with a passenger vehicle.

The demonstration was put on for invited transportation stakeholders, both private and public.

The committee was made up of the following stakeholders:

- Mark Donnelly, Executive Director, Safety Driven – Trucking Safety Council of BC
- Sam McLeod, Superintendent of Motor Vehicles, RoadSafetyBC
- Lindsay Matthews, Director of Road Safety, ICBC
- Chris Back, Director of Industry and Labour Relations, WorkSafeBC
- Supt. David Wendell, Officer in Charge, "E" Division Traffic Services and Vice Chair of the BCACP Traffic Safety Committee
- Cory Paterson, Director of Policy, BC Trucking Association
- Stan Hennessy, President, Teamsters Local Union No. 31

If you could please take the time to click on the link and view the videos.

Fraternally yours,
