

NOTICE TO ALL TEAMSTERS EMPLOYED AT THE METRO VANCOUVER

BARGAINING UPDATE

April 20, 2023

Dear Sisters and Brothers,

Further to our last update, at our last meeting with the mediator and the Employer on April 19, 2023, the Employer presented us with a package that included a wage proposal. We countered the Employer's package, and the Employer is reviewing and will respond at the next mediation session. We are in the process of setting up further mediation dates for May, 2023.

We understand that you may wish to have more detailed information surrounding the proposals, but as previously advised, we are unable to provide specifics due to the fluid nature of bargaining and confidentiality surrounding the process. We will provide additional updates when we have more information to share.

We thank you for your continued patience and support of the Union Bargaining Committee.

Fraternally,
