

NOTICE TO ALL TEAMSTER MEMBERS EMPLOYED AT METRO VANCOUVER

June 26, 2023

Dear Brothers and Sisters:

Re: Wage Adjustments, Retroactive and Lump Sum Payments

The Union has received word from the Employer that its HR and Payroll/Finance teams have successfully inputted the information into its systems to make the wage adjustments for Teamsters bargaining unit members and are working on the retro and lump sum payments.

This means that:

- Wage increases for 2022 and 2023 will be reflected in the next pay period on **July 7, 2023**.
- The lump sum and retro payment (for 2022 and 2023 to date) should follow within 1-3 pay periods after that (either July 21st, August 4th or 18th).

Yours fraternally,
