Dear Sisters and Brothers:

Re: GVRDEU Essential Service Designation

We wanted to inform you about a recent communication we've received from GVRDEU regarding the Essential Service Designation. Today, both the union and the employer are set to meet at 9:30 AM to work towards a resolution on the ESD matter.

As part of our commitment to keeping you informed, we'll promptly share any important updates as soon as they become available.

We understand that these are challenging times, and we encourage you to reach out to me or one of our dedicated Shop Stewards if you have any questions or concerns. If you're unsure about how to contact your Shop Stewards, you can easily find their contact details on the Teamsters Portal.

Fraternally,

A handwritten signature in blue ink, appearing to read "Caley Fieldhouse".

Caley Fieldhouse
Secretary-Treasurer
