Dear Minister Dix:

Re: The B.C. Provincial Government's COVID-19 Immunization Plan – Updated March 18, 2021

Teamsters Local Union No.31 proudly represents members in the trucking, warehousing, courier, and airport passenger shuttle service industries. These members have been diligently working on the frontlines, serving the public since the onset of the COVID-19 pandemic. Unfortunately, the Union sees that our members have not been recognized as frontline priority workers in the government's COVID-19 Immunization Plan, updated on the website on March 18, 2021.

The Union would like clarification/confirmation that our members working in these industries will be prioritized to receive the COVID-19 vaccine in April, 2021.

If not, the Union respectfully requests that the above-noted industries are included and the COVID-19 Immunization Plan be modified to encompass our front-line workers as they meet the parameters of the current COVID-19 Immunization plan.

Please respond as soon as possible as time is of the essence in this matter.

Thank you for your consideration in this matter of importance to our members, their families, and the general public.

Sincerely,

Stan Hennessy
President, Teamsters Local Union No. 31
International Vice-President, International Brotherhood of Teamsters
