DAILY QUESTIONS AND ANSWERS FROM ARLENE MUNOZ – BUSINESS REPRESENTATIVE

August 26, 2014

Q: What's happening with the Teachers' strike?

A: The information we have received is as follows: The number and location of sites that will be picketed on August 27, 28 and 29, 2014 is unknown at this time. Picketing by the teachers will be sporadic at best in Abbotsford. All Teamster employees should show up for work at their regular start times. If teacher picket lines go up while you're at work, the Union requires you to leave your worksite. The teachers will be picketing for approximately 2 hours.

The Union advises that employees should leave their worksites if pickets go up after they have commenced work. If pickets come down at your worksite approximately 2 hours later, you may re-enter your worksite and go back to work and complete your shift. I have been authorized by President Stan Hennessy to advise that the Union will compensate Teamster employees \$25 for the time lost for that portion of the day that they are not at the worksite – should they return to work when pickets come down.

Teamster members are expected, as always, to honour any and all picket lines at all times.

Fraternally,

Arlene Muñoz
