NOTICE TO ALL TEAMSTERS LOCAL 31 MEMBER EMPLOYED AT SCHOOL DISTRICT NO. 34 (ABBOTSFORD)

BARGAINING UPDATE

December 15, 2014

Dear Brothers and Sisters:

On Monday, December 15, 2014 the Teamster Bargaining Committee met for mediation with School District No. 34. Mediator David Schaub was appointed mediator by the Labour Board to facilitate proceedings.

The Union put forward a full comprehensive offer with its position across the table, however, School District No. 34 stated that it was unable to negotiate certain terms for agreement as instructed by BCPSEA.

The Union believes that negotiations are being conducted in an unfair manner and will be challenging the District's position with legal counsel. The Union's position is now and will remain that all monetary issues will take effect retroactive to the first day of a newly-ratified Collective Agreement.

The Union will keep you informed as the issue moves forward.

Wishing everyone a safe and merry Christmas.

Fraternally,

A. Munoz
