Dear Sisters and Brothers:

Re: VPD Occupational Safety & Health Committee Representatives

I am pleased to announce that the positions on the Occupational Safety & Health Committee have been filled without the need for an election. Hannah Manuel, Kiel Munn and Becky Swan (alternate) will join the Union's current representative, Irmgard Carter on the Committee.

I would like to thank Hannah, Kiel and Becky for putting their names forward and to Irmgard for her long and continued service on the Committee.

Fraternally,
